HEADLAND
CORNWALL

Parking at the Headland Hotel and Spa

The parking system surrounding the Headland Hotel and Spa has recently been improved, enabling staff to be aware at all times of who is within the building, spa and restaurants. The system, which requires all guests to register their vehicles, allow the hotel's traffic management to be better controlled and for spaces to be allocated accordingly – something that is particularly important given the reduction of parking spaces whilst the new Aqua Centre is being built.

If you have received a parking charge notice from The Headland the payment of £100.00 is required within 28 days. They will accept a reduced fee of £60.00 if payment is received within 14 days. If payment is not received within 28 days, an initial debt recovery charge of £40.00 will be incurred.

The driver of the vehicle is required to pay this parking charge within the time frame stipulated above. As we do not know the driver's name or current postal address, if you were not the driver at the time, you should provide us with the current postal address of the driver to allow Highview Parking to pass this notice onto the driver. If the vehicle has been hired, please provide a signed statement confirming the hirer's name and address and include a copy of both the hire agreement and their statement of liability.

If you require further information or would like to dispute a recent parking charge notice, please contact rangerparkingservices@headlandhotel.co.uk who will be able to assist with this.
