The family owned Headland Hotel is delighted to partner with the family owned House of Ruinart to offer a spectacular house champagne, R de Ruinart.

The House of Ruinart is unlike any other. It was the first established House of Champagne in 1729 and inspired by the intuition of a monk well ahead of his time.

R de Ruinart 🍷

A vibrant, clear yellow colour with golden reflections, frank and direct on the palate. A balanced wine, rounded and full-bodied, scented with ripe fruits; showing characteristic freshness of the Chardonnay which makes up most of the blend.

Ruinart rosé 🍷

The very first rosé champagne to make its appearance, it dates back to the 18th century. The colour is a delicate pomegranate pink with a sparkling, light effervescence. It offers an original palette of tropical fruits and small berries, followed by rose and pomegranate notes.
