

## Cottage map

This iconic, award-winning development is perched just yards from the edge of the Atlantic, and each beautifully designed stylish cottage is named after the ocean environment in which the village is nestled. Whether you choose a “Seaspray”, “Tide”, “Beach”, “Waterside”, “Fistral”, “Lifeboat”, “Mariners” or “Huers” cottage, you will be just paces from the golden sands of Little Fistral Beach.

Snug and cosy, a rare combination of drama and comfort and a cosy haven against the elements – perfect for storm watching in the autumn and winter. Glorious beaches, sheltered coves and the coastal footpath on your doorstep. Stunning views, with space and the great outdoors to enjoy during the spring and summer months. Whatever the time of the year you come, your cottage holiday stay will delight you.

The car park is close by and we will gladly give you a hand with your luggage. All the facilities of a five-star hotel are on hand including bars for sunset cocktails, delicious dining in a variety of restaurants, the Aquacub, spa and concierge service.
